ABOUT THE INSTITUTE

With a vision to provide quality education to students, and to enable them to excel in the legal domain, University Institute of Laws (UIL), Panjab University Regional Centre (PURC), Ludhiana was setup by Panjab University, Chandigarh in July 2003. UIL was established to serve as the pre-requisite of universalisation of education in general and legal education in particular. The objective of UIL is to equip the learners with the skills required to become eminent advocates, professionals and academicians. Ever since its inception, all the stakeholders of UIL have been working sincerely to realize its vision. Today, we are proud to say that we have made a distinct name for ourselves in the domain of legal education. We do not just impart knowledge, but emphasize on excellence in everything that a student does and focus on values and ethics. We strongly believe that hard work, spirit of excellence, moral values and ethical behaviour are the keystone to a successful career in the domain of law. UIL has now established itself as a 'Centre of Excellence' in Legal Education in the Manchester of Punjab (Ludhiana) through. This is aptly reflected in our strong academic performance and excellent admissions. Presently, this institution imparts legal education through three courses, viz., LL.B. 3 years , B.A.LL.B. (Hons.) 5 years integrated course, and LL.M. 1 year program. We are confident that the future belongs to UIL because we believe in the beauty of our dreams.

FACULTY'S MESSAGE

It is with immense pride and anticipation that I extend my warmest regards to all participants of the National Moot Court Competition and commend the indefatigable efforts of our Moot Court Society.

The moot court competition is not merely a contest of argumentation but a profound exercise in critical thinking, legal analysis, and the art of persuasion.

At the heart, Moot Court Society is a commitment to excellence, not only in academics but in fostering a collaborative spirit and ethical professionalism.

The journey through moot court is one of continual growth, and I encourage all participants to seize this moment not only as a stepping stone towards academic achievement but as an opportunity to further develop the qualities that will define them as future leaders in the legal profession. May this competition serve as a catalyst for their aspirations and foster a deeper commitment to the pursuit of justice.

Together, let us continue to cultivate a legacy of excellence, intellectual curiosity, and unwavering dedication to the advancement of law.

MOOT COURT SOCIETY

In today's legal education system, the significance of "Mooting" cannot be overstated.
